Coir' a' Bhùiridh

1 **76963/81687. The start of the pathway into the glen.**

2 **77286/81605. A stone wall ~10m long.**

3 **77359/81577. A wall for hiding during the shooting of deer or possibly used for Commando training at Lochailort. (20/4/2008)**

4 **77584/81599. A site where the old pathway from Kinlochailort and the estate roadway meet together.**

5 **77725/81255. An old stone wall passes the pathway here. Altitude 138m**

6 **A little stone enclosure beside a large stone. Altitude 899ft. 77142/79954. (20/4/2008)**	

7 **77163/79734. Possible peat cuttings.**

8 **An oval of peat. 4.5 x 2.9m exterior. 54^0. 9m from the burn. 77206/79679. (20/4/2008).**	

9 **A possible building close to 8. ~3m long. 62^0.** **77198/79678. (20/4/2008).**	

8 and 9 seen beside the burn seen from from 6. (20/4/2008).	
10 **A hiding hole. Altitude 965ft. 77149/79670. (20/4/2008).**	
11 **An unusual boulder, about 4m high. Altitude 1005ft. 77163/79479. (20/4/2008).**	

12

A turf building. 4.1 x 3m outside. 342^0. 2m from the burn. Altitude 1128ft. View from south-west. 77189/78886. (20/4/2008).

13 77193/78870. A circle of stones. Outside diameter 2m. Inside diameter ~1m. Water flows around one edge. Altitude 1185ft. (October 2000).

14 77195/78870. The main stone building in the area. ~4.1 x 3.5m externally. 45^0. There is an internal stone circle 1.7m in diameter externally and 0.7m diameter internally. 1150ft. (October 2000)

15

A circle of stones ~4m diameter. It is about 1m from one burn and there is a burn branch on the other side. 77186/78874. A view from south-west. (20/4/2008).

16

A circle of stones. ~4m diameter. Altitude 1188ft. View from south-west. 77170/78862. (20/4/2008).

17

An oval of a few stones. ~6m long. 298^{0}. 1159ft. View from south-west. 77273/78872. (20/4/2008).

18 **An oval of a few stones. ~4.2 x 3m outside. 292^0. View from south-east. 77303/78810. (20/4/2008).**	

19 **77652/78544. An oval enclosure. 5 x 3.5m. 324^0. A wide view is visible from here.**

20 **77673/78547. A circle of a few stones 1218ft.**

21 **A possible circle of stones. ~5m diameter. ~25m from a burn. The 2m pole is in the centre of the possible site. 77662/78569. (20/4/2008).**	

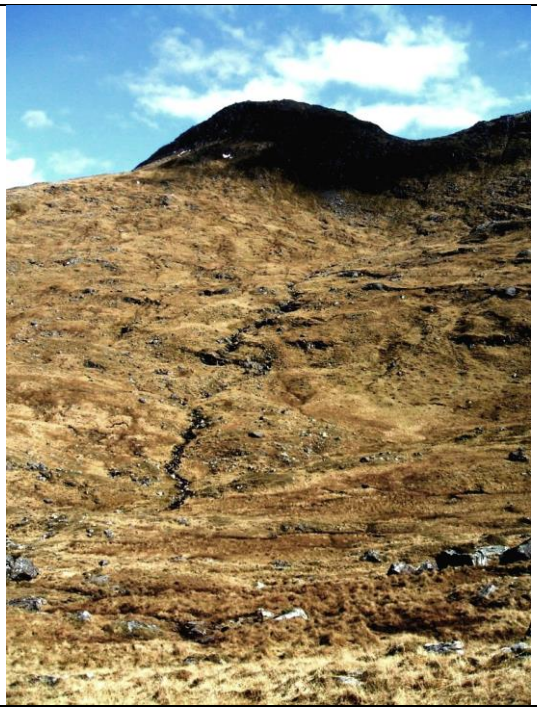

22

The 2m pole indicates a possible building site. ~5 x 3m. 310^{0}. 1247ft. 77601/78663. (20/4/2008).

19 to 21

Peat-cuttings and lazy beds above sites 19 to 21. Viewing is to the south east. (October 2000).

Sites 12 to 18
