Roads, pathways
Boundary fences and walls

1. A former jetty at Samalaman. 67137/77369. (2/5/2017).

2 **The former public hall for Glenuig. 67137/77369. (2/5/2017).**	
3 **A pier at Samalaman. 666/778.**	
4 **The foundations of a building. 67268/77350. (2/5/2017).**	

5 **The former school at Glenuig. 67332/77419. (22/11/2007)**	

6. Glenuig Pier. 6735/7765.

47 **The old Glenuig Pier, 1954.**	

7. A croft house with a byre. 6791/7804.

View from south

View from north-east.

House and byre at Carn Mòr Rubha Arisaig and the Cuilin Hills in the distance. 680/777. (February 2001).

8 A small stone enclosure. 68066/77725. (31/5/2007).

9 A small stone enclosure. 68063/77709. (31/5/2007).

10

A building near Loch a' Chairn Mhòir. The burn may have flowed through the building and could have been deliberately diverted through it. There are peat cutting sites beside it. Was this used for whisky distilling? 68157/77583. (31/5/2007).

11

Two peat cutting banks at 68129/77502 have been cut for the nearby shieling or still site. The two 2m poles mark a strip between the two peat cutting lines. View from the north. (February 2001).

12

A building beside the burn. 67669/7726 (6/12/2005).

13

A building site. 67734/77222.

14

A shieling. The upright pole marks the doorway. 67749/77293. (February 2001).

15

These lazybeds are high above sea level, about 120m above. There is no sign of habitation, but there is a possible recessed platform site above it. 681/778. Eilean nan Gobhar and Glas Eilean are the two islands seen. (February 2001).

16 This building has been suggested as the place where the school of 1815 was held. A view from the north-west on the right photo. 66941/75532. (19/2/2013).

17

View from south. February 2001. 6705/7605.

18

View from east. 6705/7605. February 2001.

19 A byre at 67161/76342. Altitude ~ 46m. (12/5/2017).

20 A building beside the burn at 67161/76342. (12/5/2017)

21

Two buildings. 217^0. Door and windows face to the west.

22 A semicircle of stones with an internal square of stones. 67180/76981.

23

A house with a central fireplace and two windows. 67026/77299.

24

A house or byre. Only one window. 002^0. 67022/77309. (14/1/2008).

25

A byre with one window. 17^0. 67048/77316. (14/1/2008).

26 and 27

On the left is a building with no roof. 67043/77238.
On the right is a building with a corrugated iron roof.

An interior view of 26

28 and 29.

A house being restored and a shed next to it. 6701/7723.

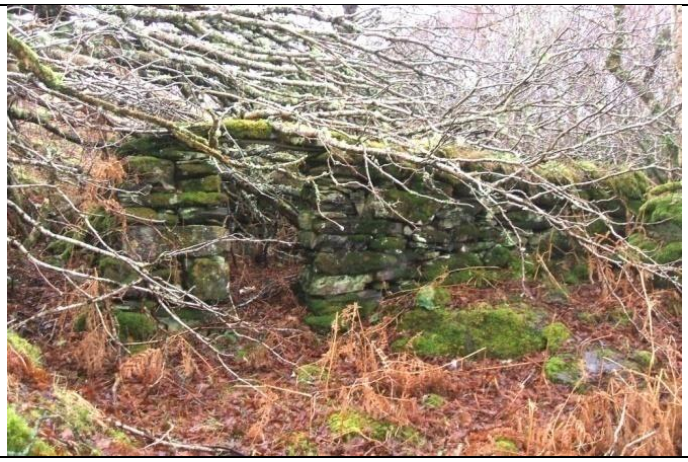

30

A view from the east. 67020/77204. (14/1/2008).

31

A small house on which a tree has fallen. 66956/77208.

32 A wall gateway. 166946/76561.

33

A recently used house. 66925/76679.

34 and 35 **Two buildings next to 33**	

36-40 A group of four buildings. 5.9 x 3.1m, 343^0. 4.5 x 3.1m, 343^0. 4.5 x 2.3m, 013^0. 4.5 x 2.3m, 013^0. 66884/76842.

41 and 42 A former house and byre 66911/76915.

43

An enclosure with no windows. 6.8 x 2.15m. Height 1.3m. 354^0. There is a doorway to 92^0. 66862/76972.

44 A wall gateway. 66858/76984.

45 A sheltered hut. 67008/77045. (15/1/2008).

View from south

View from north

46

A site where boats were pulled above high tides. 6718/7737

Some lazybeds in Glen Uig
